INTRODUCTION TO KORFBALL.

Korfball is a fast, dynamic sport where teams of eight players consisting of four men and four women are divided into two sections. The aim of the game is to shoot a ball into the 'Korf' or basket. The posts standing 12 feet tall set 1/3 in from the backline.

One section starts the game in attack, the other in defence. Attacking and defending players swap roles after two goals have been scored in the game.
